Business Leader in Vibrant Work Environment

The way we work and interact were among the firsts aspects that changed in our working life when pandemic came. But a lot of things remained the same: the company's involvement in employees' holistic well-being, in offering them the best working ecosystem possible, in keeping the company's culture and team spirit, and maintaining diversity and inclusion.

This was critical in order to continue to deliver world-class services, keeping the clients happy and attracting new projects. Performance lies in employee's engagement and correlates with work satisfaction, which contributes to the company's success.

This award seeks to appreciate and promote companies that creates working environments that are inspiring and vibrant.
